

# Modernisation Coordinator (Various locations)

**NVIRP is a state owned entity established to plan, design and deliver the modernisation of the Goulburn Murray Irrigation District (GMID).**

A number of positions exist across the GMID for Coordinators to work closely with irrigators and other stakeholders to prepare business cases designed to rationalise or modernise on-farm infrastructure.

Candidates would need to possess a good understanding of the irrigation renewal project and be able to demonstrate a passion for the achievements of the project's goals.

The successful candidates will be able to combine project management skills with high level consultation and facilitation skills and possess competency with computer packages and report writing.

A background in the water industry would be beneficial but not essential. For further information and position descriptions please contact Don on 5831 5880. Applications addressing the selection criteria and including a current resume should be sent to the address below by 7 May 2010.
